

Imperial Series: Style CIMA

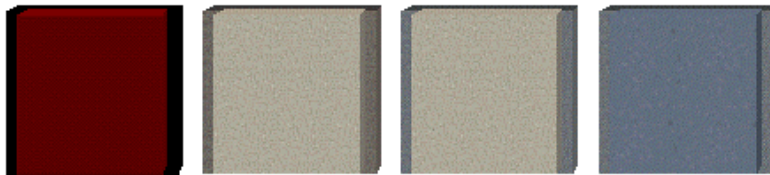

Available only through authorized Quest AI Dealers

Our Imperial Column adds a touch of elegance

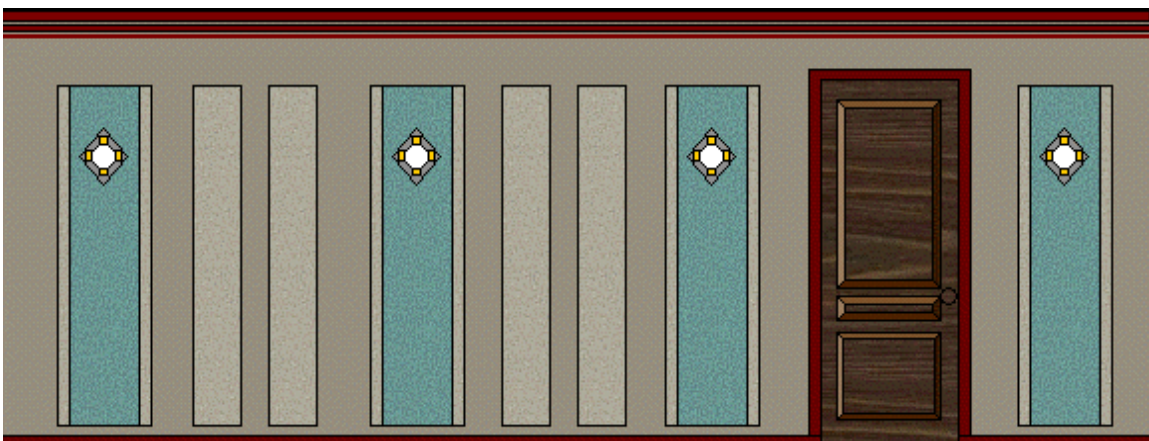

Material: Two 1" panels made of 6 PCF smooth molded fiberglass covered in Guilford of Maine cloth (Style FR 701) cut with straight edges.

Dimensions: Height = 7 ft, Width = 2 ft, Depth = Approx. 2"

Quest treatments are available in 48 standard fabrics.

Customize by choosing your own color combinations or fabrics, adding sconces and additional panels. (see our "Concept Library" for some inspiration)
